

Studio 125

Swedish Gouged Pine Sideboard

A heavily textured Swedish „Ägouged,Äù pine sideboard.

Simple well executed design, constructed almost entirely using wooden dowels and pegs (rather than nails).

Reminiscent of the works of Axel Einar Hjorth & the textured finishes of the Marrolles workshop.

Can be paired with a shelving unit found [here](#)

Dimensions (cm)

H81 x W148 x D47.5

£2,950.00
